Summer Skills Camp 2019

Grades 1 to 6

Astolot Summer Skills Camp offers your child a fun and enriching environment. Our camp leaders focus on social skills and academic skills, while having fun! The mornings of camp take place indoors and include academic, hands on activities that are related to the theme of the week. Lunch is from 12:00 to 12:20. Then, after lunch, the kids head outside to Windsor or Brewer Park for organized outdoor play! Our camp is small and personalized in order to give all our campers the attention they need.
